

HAMP REPORTING UPDATE

January 28, 2016

April 2016 HAMP® Reporting Tool Release Notes

On April 1, 2016, the HAMP Reporting System, including the HAMP Reporting Tool, will receive an update to support the following:

- Streamline HAMP – Non-GSE
- ADR Edit Updates for Tier 2 Forbearance Eligibility Policy Change
- New Data Quality Edits

Please refer to the [Release Notes](#) for more details on these updates.

Updated Job Aids Posted

In connection with the April 2016 release, updated versions of the following Job Aids were posted in the [Learning Center](#) on HMPadmin.com:

- [Official Withdrawn Reporting Guidance Job Aid](#) -- Please refer to this document for instructions when reporting modifications as Official Withdrawn via the Official Monthly Reporting transaction.
- [Reporting Additional Data Requirements \(ADR\) Job Aid](#) -- Please refer to this document for instructions and scenarios when reporting Additional Data Requirements.
